The Computer, Software & Website Committee successfully oversaw the migration to open source software. The Convener, Sh. Rajiv Ranjan Singh also designed and developed the new Website of the college [www.shyamlale.du.ac.in](http://www.shyamlale.du.ac.in), which was inaugurated by the Hon'ble Chairperson during this year's International Conference of the college.

## **CANTEEN COMMITTEE**

Canteen Committee of the college actively tried to improve the working of the canteen of the college. It tried to expand the menu of the canteen and also tried to ensure the quality of the products. It has always been our endeavour to improve the services of the canteen. There still exists a lot of scope to improve the services of the canteen in terms of expanding its menu and other services and augmenting the hygiene of the canteen. The canteen committee's members express their sincere gratitude to the faculty members and other staff members of the college for their kind cooperation.

## **WAY FORWARD**

### **NAAC Accreditation**

The college has successfully completed the first two stages (submission of Letter of Intent (LOI) and submission of Institutional Eligibility for Quality Assessment (IEQA)) of NAAC Accreditation. We are now in the stage of preparing Self Study Report with the proficient cooperation of **Mr. Dhiraj Bahl, Sr. P.A. to Principal**, Shyam Lal College (Evening). This accreditation will help the college in getting the financial assistance from UGC in future.

The college is also in the process of establishing various centres for its brand building.

I thank the Chief Guest, the Guest of Honour, Chairperson, Governing Body, the members of the college Governing Body and the Staff members both teaching and non-teaching, who supported the college directly or indirectly to make the academic year 2014-15 more meaningful and fruitful.

I would like to thank the members of the various sub-committees and departments, former students and well wishers for their support. Without their continued support the college could not have achieved all its goals.
