Modern College of Business and Science (MCBS) in the Sultanate of Oman is a private College licensed by the Ministry of Higher Education and established in 1996. In 2004, MCBS sought institutional and program accreditation to offer Bachelor Degrees in Oman. MCBS was successful in its application and based on the strength of its submission, the College was provisionally accredited by the Accreditation Council of the Sultanate of Oman to offer Associate and Bachelor Degrees. The College offers educational programs to meet the needs of individual students as well as the needs of the business and industrial communities.

The Center for Entrepreneurship & Business Incubation (CEBI) was established at Modern College of Business & Science (MCBS) acknowledging the significance of Entrepreneurship & SMEs in diversifying the Omani economy. The center focusses on linking three key areas of Entrepreneurship and Business Incubation – Education, Leadership Development & Research. Furthermore, CEBI would be responsible for formulating strategies and collaborating with other public & private entities based in Oman and abroad to support potential entrepreneurs across the four stages - taught, pre-incubation, incubation and until the stage of maturing into independent companies. In short, CEBI aims to be a leading example of Entrepreneurship through Intrapreneurship in Sultanate of Oman
