ANNUAL REPORT

2023-24

A Message from Our ANO

Dear Friends and Colleagues

It gives me pleasure to share the SLC NCC unit's annual report for the 2023–2024 academic year. The unit participates in a variety of events each year, including social work, training exercises, conferences, yearly training camps, national camps, etc. The unit proudly carried out its operations in close concert with 5 DBN, the Battalion HQ, and this year as well. The hard effort and

commitment shown by the cadets in carrying out their tasks, regardless of the tough or challenging circumstances they encountered, are also reflected in this annual report, which goes beyond just reflecting the activities and initiatives the cadets have taken on. Such an encounter promotes the cadets' simultaneous overall growth. SLC NCC has had a legacy of producing responsible cadets which proves the hard work that the unit puts as an organization for the betterment of its cadets to be successful in all walks of life.
