Message From Our Principal

Dear Students,

Education plays a vital role in the overall development of a person and the society. It is not limited to explaining and disseminating of the knowledge and principles. The role of education does not end with providing students with degree or certificates and making them employable, but it goes much beyond this popular notion. It plays a stellar role that actually extends to guiding the nation's present and shaping its future. In this context; education is responsible for determining the destiny of society, nation and the world.

Shyam Lal College (Evening) is amongst the pioneer institutions of the University of Delhi, involved in providing a positive outlook and meaningful context towards life to the young generation. With sheer dedication and value added education, we have embarked on ensuring the holistic development of our young minds. We also present the students with multiple opportunities and platforms to develop and express their free thinking, enabling them to face the ever-changing dynamics of the country and the world. We are focusing on building the leaders of tomorrow, who will help them stay on course in their personal and professional lives through their dedication and commitment.

Our sincere and creative teachers are working towards making our students follow the path of honesty so that they become assets to any society or institution.

I extend my best wishes to all of you for a golden future. Let us strive sincerely with all our might in making the academic year 2024-25, a year of creative education, meaningful pedagogical changes and national development.

Interim Budget 2024-25 of Rs 47, 65,768 crore is a purely democratic budget : Prof. M.M. Goel

Page3News
New Delhi / 15 Feb.

Interim Budget 2024-25 of the size of Rs 47,65,768 crore is a purely democratic budget with hope and enthusiasm for Viksit Bharat," believes Propounder Needonomics School of Thought Dr Madan Mohan Goel, Former Vice-Chancellor superannuated Professor of economics from Kurukshetra University. He was addressing the students and staff of Shyam Lal College (Evening) Delhi on the topic " Interim Budget 2024-25 for Viksit Bharat : Employment Opportunities " organized by Placement Cell. The event was marked by a welcome address by Dr. Hemant Kukreti, Principal who also presented a citation on the achievements of

Prof. M.M. Goel. Dr Ajay Gupta convener proposed the vote of thanks. Mr Pankaj Vats and Ms Nandini Paul acted as the master of ceremony. The budget proposals were necessary for the vision of Viksit Bharat towards 2047 but not sufficient for employment opportunities, told former VC Dr Goel. For creating more employment opportunities Prof. Goel told that the employment multiplier is highest in tourism which stands strengthened by encouraging states by availing long-

term interest-free loans. Additionally, he advocated for the transformation of entities like the Khadi & Village Industries Commission (KVIC) and Life Insurance Corporation (LIC) of India into multinational corporations (MNCs) to stimulate job creation, aligning with the export of manpower as per WTO directives. Needonomist Goel stressed the importance of strengthening the seven priorities outlined in 2023-24, likening them to the guiding principles of the

'Saptarishi' leading us through the transformative period of Amrit Kaal. Needo-education of Gita-based needonomics as a commonsense approach is a necessary and sufficient condition for Viksit Bharat , said Prof. Goel. Gita-based needonomics, as elucidated by Dr. Goel, encompasses various domains including needo-consumption, needo-saving, needo-investment, needo-growth, needo-exports, needo-altruism for needo-wealth, needo-health, and needo-happiness. In crafting a new narrative for Viksit Bharat, Dr Goel urged for boldness, courage, and enthusiasm among citizens to embody the qualities of being street SMART (Simple, Moral, Action-oriented, Responsive, and Transparent) global citizens.
