Garden Committee Report

The Garden Committee of Shyam Lal College (E) organized a visit to Amrit Udyan at the President House on 21st February 2025. College students and faculty members explored the beautifully designed garden, which featured a unique layout composed of square, rectangular, and circular sections. Stunning fountains with crystal-clear water enhanced the overall ambiance, creating a serene setting for the visitors.

During the educational tour, participants learned about the art of floral arrangements and the care of seasonal blooms, including calendula, tulip, petunia, fressia, linara, yellow jasmine, various types of roses, and vibrant climbers. Experts on-site provided detailed insights into the garden's horticultural practices and eco-friendly maintenance techniques. Overall, the tour not only allowed everyone to enjoy the scenic beauty of Amrit Udyan but also enriched their understanding of botanical design and landscape management, making the event a resounding success.

The visit to Amrit Udyan proved to be a memorable and enriching experience, leaving the students and faculty with a deeper appreciation for the wonders of nature and the importance of sustainable gardening practices.
