

Report on AGON'25 – The Annual Inter-College Fest Organized by the Department of Computer Science, SLCE

The Department of Computer Science, Shyamlal College (Evening), University of Delhi, successfully hosted its inter-college annual fest, AGON'25, on February 27, 2025. The event was marked by enthusiastic participation from students across various colleges like IP college for Women, Rajdhani College, Sri Aurobindo (Morning), Sri Aurobindo (Evening), PGDAV(M), PGDAV(E), Shaheed Rajguru College of Applied Sciences for women, Zakir Hussain College, ARSD College, Shivaji College, Delhi Pharmaceutical Science and Research University, SLC(M) and SLCE making it a platform for creativity, technical skills, and intellectual engagement.

The event commenced with a traditional lamp-lighting ceremony, signifying knowledge and enlightenment. Faculty members and students gathered to witness this auspicious start, setting a positive tone for the day's competitions. The principal of the college, **Professor Nachiketa Singh**, delivered an inspiring speech, emphasizing the importance of extracurricular activities in holistic student development. His address was followed by a motivating speech by **Ms. Sonia Singh, the Teacher-in-Charge (TIC)**, who appreciated the efforts of the organizing team and encouraged students to participate in more such academic and creative endeavors.

AGON'25 featured five exciting events that challenged students' skills across different domains. The competitions included PIXEL PERFECT (a photography contest that encouraged students to capture compelling visual stories), DESIGN VERSE (a website designing competition where participants showcased their technical and artistic abilities), GRID MASTER (a Sudoku challenge that tested problem-solving and logical reasoning skills) and DOODLE CONTEST (a chart-making competition that allowed students to express their ideas creatively) These events were conducted in two different venues simultaneously, each lasting for one hour. The entire competition schedule was efficiently executed on time.

More than 75 students from various colleges enthusiastically participated in the fest, making it a grand success. The competitive spirit was high, and all participants exhibited remarkable talent and enthusiasm. After the conclusion of all events, the winners were awarded exciting prizes, trophies, and certificates for securing the 1st, 2nd, and 3rd positions in their respective competitions. Additionally, all participants received certificates of participation, acknowledging their efforts and dedication.

The event concluded with a heartfelt vote of thanks delivered by **Dr. Karan Gupta, the event coordinator**. He expressed gratitude to our respected principal sir, Ms. Sonia Singh, other faculty members, student participants, and volunteers for making the event a memorable success. He also expressed hope that AGON'26 would be organized with even greater enthusiasm and a larger number of participants.

Overall, AGON'25 was a remarkable celebration of talent, creativity, and teamwork. It provided students with an opportunity to engage in healthy competition while honing their skills. The fest successfully reinforced the importance of such events in fostering learning beyond the classroom and laid the foundation for future editions with even greater participation and enthusiasm.
