FOREWORD

DEAR FRIENDS AND COLLEAGUES

It is my pleasure and pride to publish this annual report of SLC NCC unit for the training year 2021-22. Every year, the unit takes part in various activities such as social work, training activities, conferences, annual training camps, national camps etc. This year also, the unit proudly conducted its activities in close coordination with 5 DBN, the battalion HQ. However, the physical training activities of this session was affected by lockdown but the shear hardwork of the rank panel appointed to deal with the situation took the responsibility very boldly. This Annual report will not only reflect the activities done throughout the year but it will also reflect the hardwork and coordination and the precious experience leads to simultaneous holistic development in the cadets. The sole aim in training has always been to produce physically and morally fit, highly motivated and responsible youth for the country.
