## **Report for Academic Year 2023-24**

The Departmental Society of Computer Science, InspiriTi, remained highly active during the academic year 2023–2024, organizing a series of academic and co-curricular events that provided students with opportunities to showcase their leadership, creativity, and technical expertise.

### **Annual Elections**

#### **October 2023 | Computer Lab**

The academic year commenced with the society's Annual Elections for the selection of new office bearers. The elections witnessed enthusiastic participation, with a large number of students from all years turning up to cast their votes. The successful conduct of the elections reflected the democratic spirit of the society and ensured a smooth transition of responsibilities to the newly elected student leadership.

## **Creating Web – Intra-College Web Designing Competition**

**November 2023 | Computer Lab**

To encourage innovation and creativity in web development, InspirITi organized an intra-college web designing competition titled “Creating Web”. The event saw participation from 13 teams, who displayed their design skills, technical knowledge, and originality. The competition provided a platform for students to translate their ideas into creative web designs.

The winning teams (1st and 2nd positions) were awarded cash prizes, while all participants received certificates of appreciation, making the event both competitive and rewarding.

## AGON 2024 - 5th Annual Inter-College Computer Fiesta

April 2024 | Shyam Lal College (Evening) Campus

The highlight of the session was the 5th edition of the Annual Inter-College Computer Fiesta – AGON 2024, successfully revived after a gap of five years (the 4th edition being held in 2019). The event attracted over 60 participants, with more than half of the teams coming from colleges outside Shyam Lal College (Evening), thereby enhancing the competitive spirit and diversity of the fest.

AGON 2024 featured five signature events:

- **Mind Meld** – a crossword competition blending logical reasoning with knowledge of computer science and general awareness.
- **e-Canvas** – a digital poster contest encouraging participants to showcase innovation and artistic flair.

- **Typing Titans** – a speed-typing competition that highlighted accuracy and efficiency under time constraints
- **Binary Banter** – a debate competition focusing on technology-driven themes, testing articulation and critical thinking.

- **Byte Blitz** – a photography competition that captured creativity, perspective, and storytelling through visuals.

The fest received overwhelming appreciation from participants and judges alike. Prizes were awarded to the teams securing 1st and 2nd positions in each event, and certificates of participation were distributed to all contestants.

The successful execution of AGON 2024 not only rekindled the legacy of InspirITi's flagship fest but also reaffirmed its role in fostering innovation, collaboration, and excellence in the field of computer science.

### **Office-Bearers / Team for the Academic Year 2023-24**

- **President:** Pankaj Vats (2355) (Ba Prog 3rd Year)
- **Secretary:** Aditya Pandey (2374) (Ba Prog 3rd Year)
- **Vice - President:** Ayush Pandey (2616) (Ba Prog 2nd Year)
- **Joint Secretary:** Aditya Pratap Singh (2629) (Ba Prog 2nd Year)
- **Executive Member:**
  - Bibhav Kumar (2306) (Ba Prog 3rd Year)
  - Muskan Kumari (2781) (BA Prog 2nd Year)
  - Veerendra Rajveer (2050) (BA Prog 1st Year)

The academic year 2023–2024 was a milestone for InspirITi. From democratic elections to technical competitions and the long-awaited revival of its flagship fest AGON, the society proved its dedication to nurturing talent, leadership, and innovation. With this renewed momentum, InspirITi looks forward to scaling greater heights in the years to come.

***InspirITi continues to be the driving force behind creativity,  
innovation, and technical excellence.***
