

InspirITi – CS Departmental Society

Shyam Lal College (Evening)

University of Delhi

Report for Academic Year 2024-25

Trivia Frenzy 2025

February 2025 | Innovation Plaza 1

Organized by InspirITi, the Computer Science departmental society, Trivia Frenzy 2025 was a dynamic and intellectually stimulating quiz competition designed to challenge and engage students through multiple rounds of trivia covering technology, general knowledge, current affairs, and logical reasoning.

The event witnessed enthusiastic participation from students both within and outside the college.

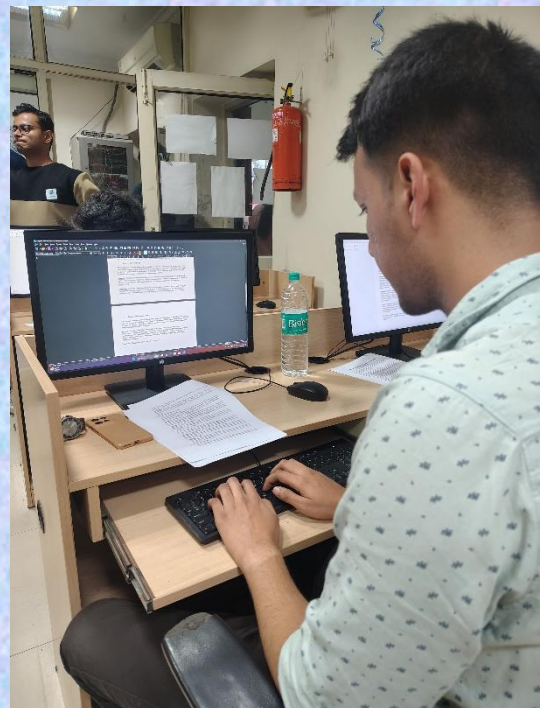

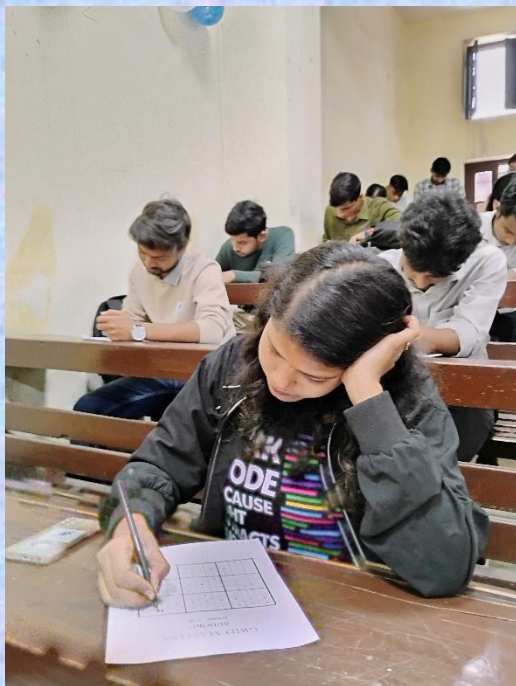

AGON'25 – 6th Annual Inter-College Fest
February 2025 | Shyam Lal College (Evening) Campus

AGON'25, the 6th iteration of the flagship annual fest of InspirITi, was a grand celebration of creativity, technical excellence, and collaboration. The fest attracted more than 75 participants from reputed colleges across the University of Delhi and beyond.

The event commenced with a ceremonial lamp-lighting and welcome addresses by Principal Prof. (Dr.) Nachiketa Singh and Ms. Sonia Singh, Teacher In-Charge, who highlighted the importance of extracurricular activities in fostering holistic growth and team spirit.

Five major competitions—Pixel Perfect, Design Verse, Grid Master, Doodle Contest, and others—were conducted across multiple venues, assessing students on diverse skills including design, logic, communication, and problem-solving. Judging panels comprised faculty members and alumni professionals, ensuring fair and constructive evaluations.

The fest concluded with a vote of thanks delivered by Dr. Karan Gupta, who expressed gratitude to the Principal, Teacher-in-Charge, faculty members, alumni, participants, and the organizing team for their collective efforts in making the 6th edition of AGON a memorable and successful event.

Together, these events—Trivia Frenzy 2025 and the 6th Annual Inter-College Fest AGON'25—reflect InspirITI's commitment to creating a vibrant and inclusive environment. Both initiatives were thoughtfully curated to promote student development, encourage innovation, and foster intellectual dialogue. The society looks forward to building on this momentum in the coming academic year with even more impactful initiatives.
