Venue: Computer Lab – I

Patron: Prof. Nachiketa Singh

Teacher-in-Charge: Prof. Aditya P. Tripathi

Coordinator: Dr. Sonia Singh

Convener: Dr. Karan Gupta

Brief Description

InspiriTi – The Computer Science Society of Shyam Lal College (Evening), University of Delhi, organized “**Begin@CS_26**” on **9th October 2026** at Computer Lab–I to warmly welcome the newly admitted first-year students to the Computer Science family. The event was designed to provide the freshers with an enjoyable and interactive beginning to their college journey through games, participation, interaction, and celebration.

The event also marked a special milestone for InspiriTi as the society is celebrating **10 remarkable years of its journey**. The students were introduced to the society and its role as a platform for exploring technology, creativity, teamwork, leadership, and innovation. The ongoing social media campaign celebrating the ten-year journey of InspiriTi was also highlighted, inviting students to become a part of this special milestone and celebrate the memories and achievements of the society.

The highlight of the event was a series of **two fun-filled game rounds**. The first game, “**Identify the Icon**,” challenged participants' observation, creativity, and quick-thinking skills through different icons and visual clues. This was followed by the “**Movie/Meme Round**,” which tested participants' movie and meme knowledge and their ability to identify movies, characters, dialogues, memes, and other visual clues.

Both games witnessed enthusiastic participation from the freshers, creating an energetic and entertaining atmosphere. The activities encouraged students to interact with one another while enjoying a spirit of participation, creativity, and camaraderie.

The event culminated in the announcement of the first-ever **Mr. CS 2026 and Ms. CS 2026**, marking the beginning of a new tradition for the Department of Computer Science. The title of **Mr. CS 2026** was awarded to **Sumit Tiwari, B.Com (Hons.)**, while the title of **Ms. CS 2026** was awarded to **Diya Masiwal, B.A. Prog. (Economics + Maths)**. The winners were felicitated with **sashes and prizes** by the faculty members.

The event concluded with congratulations to the winners and appreciation for all the participants. **Begin@CS_26** provided the new students with a memorable and engaging introduction to college life while celebrating the spirit, community, and ten-year journey of InspiriTi.
