

REPORT ON

SCHOLARSHIP & FINANCIAL ASSISTANCE FACILITATION DRIVE

Organized by the Skill Development Cell
Shyam Lal College (Evening), University of Delhi
in collaboration with Team Everest

The poster is a vertical rectangular flyer with a cream-colored background and decorative floral borders. At the top, it features three logos: the University of Delhi, the Skill Development Cell, and Shyam Lal College. Below these, the text reads 'SHYAM LAL COLLEGE (EVENING) UNIVERSITY OF DELHI SKILL DEVELOPMENT CELL In Collaboration with Team Everest'. A dark green banner with the word 'ORGANISES' in white is followed by the main title 'SCHOLARSHIP & FINANCIAL ASSISTANCE FACILITATION DRIVE' in bold black letters. Below this is the subtitle '‘I am the Change’ Scholarship'. A section titled 'What do students get?' lists five benefits with icons: Financial Assistance to pay College Fees, Job Interview opportunities, Year long training, Internship with Corporates & Startups, and a QR code for more information. A dark green banner with 'APPLICABLE ONLY FOR' is followed by a box containing three icons: a graduation cap for 'First Year Students', a code editor for 'Course: Computer Science Only', and the QR code. Below this is a dark green banner with 'VENUE'. Two boxes provide the venue details: 'Jesus and Mary College, Chanakyapuri, Delhi' on 8th October 2026 (Thursday) from 9:00 AM to 3:00 PM, and 'Deshbandhu College, Kalkaji, Delhi' on 9th October 2026 (Friday) from 9:00 AM to 3:00 PM. At the bottom, there is a quote 'EMPOWERING STUDENTS • CREATING OPPORTUNITIES • BUILDING FUTURE' and the names of the Principal, Prof. Nachiketa Singh, and the Convenor, Dr. Monika Jingar. The bottom right corner features an illustration of three students with backpacks walking towards a building.

Theme	Empowering Students through Financial Assistance, Skill Development, and Career Opportunities
Scholarship Programme	‘I am the Change’ Scholarship
Convenor	Dr. Monika Jingar
Principal	Prof. Nachiketa Singh

2. INTRODUCTION

The Skill Development Cell (SDC) of Shyam Lal College (Evening), University of Delhi, in collaboration with Team Everest, organised a Scholarship and Financial Assistance Facilitation Drive on 8 and 9 October 2026. The initiative aimed to connect eligible first-year Computer Science students with the ‘*I am the Change*’ *Scholarship* programme, which offers financial assistance towards college fees, year-long training, internship opportunities, and opportunities to participate in job interviews. The drive was organised to facilitate students’ access to these opportunities and support their academic and professional growth.

3. PROCEEDINGS OF THE EVENT

The drive was conducted over two days, at Jesus and Mary College on 8 October and at Deshbandhu College on 9 October 2026. On both days, the participants and team members of the Skill Development Cell arrived at the respective venues by 9:00 AM to ensure the smooth conduct of the event. At Jesus and Mary College, only female students from Shyam Lal College (Evening) were permitted to participate in the drive.

Upon arrival, all participating students were registered and subsequently guided through the interview process for the scholarship programme. The team ensured that the registration and interview processes proceeded in an organised manner. At the conclusion of the proceedings at each venue, photographs were taken with the team members and participants to document the event.

The drive at Deshbandhu College was also attended by our college faculty members, namely Dr. Monika Jingar and Dr. Jigyasa Sharma from the Department of Commerce, and Dr. Prabhakar Singh from the Department of Computer Science. Their presence and support contributed to the successful conduct of the initiative.

4. PARTICIPATION AND RESPONSE

The drive witnessed the participation of 14 students across both venues, comprising 3 students at Jesus and Mary College and 11 students at Deshbandhu College. The initiative received an encouraging response and was conducted successfully at both locations. The effective coordination and collaborative efforts of the team members ensured the systematic execution of registration, interviews, and other essential arrangements.

5. OUTCOME OF THE EVENT

The facilitation drive provided participating students with an opportunity to proceed with the interview process for the '*I am the Change*' Scholarship programme, which offers financial assistance towards college fees, year-long training, internship opportunities, and exposure to job interviews. The initiative highlighted the role of financial support and skill development in empowering students to pursue their educational goals and enhance their future career prospects.

6. CONCLUSION

The Scholarship & Financial Assistance Facilitation Drive concluded successfully at both venues. The smooth execution of the event reflected effective coordination, collaborative efforts, and a strong commitment to the successful implementation of the initiative.

Through its collaboration with Team Everest, the Skill Development Cell took a step towards connecting eligible students with opportunities for financial assistance, training, internships, and career development. The initiative reinforced the importance of such programmes in empowering students and supporting their future growth.

6. Acknowledgement

The Skill Development Cell gratefully acknowledges the valuable guidance and support of the college administration, Principal Prof. Nachiketa Singh, and Convenor Dr. Monika Jingar. The Cell extends its appreciation to Team Everest for its collaboration and for providing students with opportunities to explore scholarships, training, internships, and career development prospects.

The SDC also conveys its sincere thanks to the faculty members, the entire Skill Development Committee, and all those whose contributions facilitated the effective coordination and successful conduct of the Scholarship & Financial Assistance Facilitation Drive.
